A NOTE FROM BETH JOURNEY

From the President,

I just want to start off by saying that I am truly proud to be a part of this community. It has been an amazing 2010 and I look forward to 2011 with nothing but enthusiasm and excitement. I am very excited for the path that the Chamber of Commerce is taking and am very fortunate to have such a wonderful team of staff members and volunteers surrounding me.

That said, I just want to reiterate how excited I am for 2011. We have so many events and programs that define Angleton's character and that are annually celebrated. The 53rd Annual Heritage Banquet is one event that comes to mind right away. The implementation of all of these programs will lead to a stronger referral network and will subsequently lead to more business traffic. The Greater Angleton Chamber of Commerce will do everything in our power to make this the best place to do business in Brazoria County and beyond!

Have a Wonderful 2011!

WELCOME, NEW MEMBERS!
